

Please note that this bridge club aims **to exceed the health guidelines**, so if our requirements are too strict for you, we are sorry you will not be able to attend.

By entering the premises, you acknowledge you are not exhibiting any symptoms that are typical of COVID-19, and agree that you are willing to accept our conditions such as:

- sanitizing hands upon arrival
- playing only at our oversized tables
- booking in for the games
- supplying your contact details
- exhibiting good hygiene throughout the session.

If you prefer to avoid face-to-face play, or do not wish to play under our strict conditions, bridge is continuing online on Tuesdays and Fridays.

Queensland Health recommends downloading the Covid App for your mobile phone and having a flu shot. Please consider doing both.
